FEI WORLD BREEDING JUMPING CHAMPIONSHIPS FOR YOUNG HORSES

In 1994 Zangersheide initiated the organisation of the European Jumping Championships for Young Horses (CSI-YH) for which dispensation was received from Mrs. Dona Pilar, former FEI President and Honorary President of the Championships for Young Horses

This initiative turned out to be a huge success; reason for the World Breeding Federation for Sport Horses (WBFSH) to ask Zangersheide to start a co-operation

The Zangersheide mission: combining Breeding and Sport

FEI and Zangersheide agreed to start with the official FEI World Breeding Jumping Championships for Young Horses

In 2009 a renewed contract was signed between the FEI and Zangersheide to organise these Championships for 5 more years (2010 - 2014)

As from 2010 the Belgian Championship Jumping have been appointed to Zangersheide as well and same takes place during the FEI World Breeding Jumping Championships for Young Horses

Honorary President of the Championships is the FEI President,
HRH Princess Haya

Zangersheide: the world's only place where Sport (FEI) and Breeding (WBFSH) meet each other

- **Foal auctions;** our breeders form the basis of this horse sport and Zangersheide offers them the auctions as a platform to present and sell their sport-offspring
- **Stallion Approval;** this is an excellent opportunity for breeders to take a look at the future
- **Sires of the World;** this 5* Jumping Class has established by its 12 years of success, a special place in the hearts of the breeding community as it presents an outstanding line-up of the jumping horse genetics. The Sires of the World Class is the exponent of the WBFSH' main goal: stimulating the development of sporthorse breeding world wide.
