

Zangersheide Equestrian Weeks 2006

over €1.200.000 prize money

From four days to two weekends, an event for all ages!

Last year we inaugurated our three new competitions grounds on the occasion of the traditional FEI World Breeding Jumping Championships. It turned out to be an overwhelming success and the logical thought was: all that for just four days? Why not get better profit from such an investment and for a relatively low additional costs offer the possibility for more competitors and more visitors a chance to enjoy a unique site and ambiance. Therefore our event has expanded to two weekends and Zangersheide will be “the place to be” in September.

From the 14th to 17th (included) of September will take place the FEI World Breeding Jumping Championships for Young Horses will take place, and our traditional FEI Sires of the World competition, a championship for approved 8-year-old and older stallions. In our breeders-pavilion will take place during the day from Thursday to Saturday the Zangersheide Stallion Approval. On the week-end evenings will take place our auctions in the breeder’s pavilion. On Friday 15th at 18.00 hours (approx.) the Zangersheide Selected Z-Foals Auction will take place and on Saturday the 16th the selected 3-years old Auction at 18.00 hours (approx.).

The following weekend, from the 21st until the 24th of September, we will launch three new competitions:

The Open European Masters / Final of the Global Champions Tour (CSI****), the worlds highest price money tour.

The European Open for Future Masters (CSI***), a competition for Young Riders (age 18 up to and including 25). The best 5 riders of the Gold League are automatically qualified to participate at the Grand Prix / Final of the Open European Masters which gives these riders the opportunity to compete with the best riders of the world.

The CSI Special Invitational Competition is open for riders that are at least 16 years old. They can compete in two classes, small (110-120) or medium (130-135)

For your comfort, we created an open VIP terrace, where everyone meets in a sophisticated and relaxed atmosphere and provided with first class full catering all day long. With the enclosed form you may make a reservation for a table.
