

Annex III List of approved centres for the delivery of zootechnical certificates

Studbook Zangersheide VZW gives permission to the following semen centres, recognised by the Agency for Agriculture and Sea Fisheries, to draw up zootechnical certificates for semen from donor stallions that have been approved for this purpose, within the framework of our approved breeding programme.

The zootechnical certificates for purebred equidae and for semen, ova or embryos shall always be signed only by the President of the the studbook.
